

## *Oxford Pediatric Dental*

---

### **Small Group Market**

- Oxford's pediatric dental benefit is embedded in the medical plans and cannot be removed from the product. However, you won't see an additional charge in the rates for it.
- This benefit only applies to children under the age of 19 and is subject to the medical deductible.
- There is no family benefit included.

### **Individual Market**

- This product is embedded in the medical plans and cannot be removed.
- This benefit only applies to children under the age of 19 and is subject to the medical deductible.
- There is no family benefit included.
